Description

A true performance cruiser

This beautiful Contest 50CS is a very well maintained and equipped yacht that is fit for all types of sailing. "Laurentius" is a real eye-catcher with her metallic grey hull and mast/boom! Very easy to sail single-handed with the help of her electric winches and hydraulic furling mainsail and Genoa. Please contact us for further information or to arrange a visit to the yacht! Please note this is a first and preliminary brochure!
