

Shakespeare 650 1998

Boat Name: **BIRDY**

Price: **£13,495**

Length: **22ft**

Fuel Type: **Unleaded**

Location: **Poole**

Year: **1998**

1998/99 Shakespeare 650 powered by single Mercruiser 5.7L Petrol engine. This is one of the nicest Cuddy Cabin sports boats around. Very modern styling, well built and extremely well finished. This local example is an exceptional example, clearly meticulously maintained. Fantastic sea keeping qualities, giving a very smooth ride and exciting 50mph plus performance.
