Description

Beatiful classic sailyacht

This beautifull Trintella 42 is the perfect example of a classic cruiser with great sailing performances. She is equipped with modern elements like a finkeel, a saildrive and a much smaller wet surface then the 38 and 44 series. That makes the 42 the best sailing ship of all Trintella's. Her current owner kept her in great condition and up-to-date by renewing batteries, charger and some navigational equipment. Ready to sail the blue waters again, she awaits her new owner. You are kindly invited to visit her at her current berth in Olbia, Italy. Preliminary brochure
